

## PRACTICIES 1<sup>st</sup> YEAR: ADVANCE OF RESULTS

The *Partnership against violent radicalisation in the cities - PRACTICIES* is glad to present in a public open session a first delivery of the project results. They are threefold and combine aspects of sociology, psychology and language aiming at the prevention of radicalisation in Europe.

Event address: **CSIC Delegation. 7th floor. Room 3. Rue du Trône, 62. 1050 Brussels**
